In order to help every child succeed in our FJC Afterschool Programs, we want to know more about him/her. Please provide us with information regarding your child's learning needs. This can include any information related to an IEP or learning profile they have for their regular class, and/or observations you have made as a parent. The more information we have, the better we can be partners in your child's Jewish education. Please also email the office directly if you would like to set-up a meeting with our teachers to talk about accommodations for your child and the best program/schedule for his/her success.

Describe any specific learning needs your child may have (use the back of this form as needed):

My child learns best through.....

- Reading quietly
- Dance/Movement
- Working alone
- Working in a group
- Drama
- Art
- Discussion
- Repetition
- Debate
- Other (please describe your child's learning style)

Additional Comments (please let us know if there are any concerns you may have about your learner or anything you hope your learner will get out of our program this year)
